STATINTL	Dear
	A short note to thank you, the members of your staff
8	and the other NSA representatives who made our visit last
	Friday so instructive. Quite obviously much good thought
	has gone into the career training and recruiting activities
	described with enthusiastic and capable people behind the
	efforts. Please extend my thanks to all concerned for a most
	informative session. The kind invitations for follow-up working
	sessions as we move further in our own ADP developmental work
	will be gratefully accepted.
ILLEGIB	Sincerely,
STATINTL	CHARLES A. BRIGGS Director of Computer Services
